Do Quick

Quick Accomate

ACCOUNT PROCESSING DONE QUICK.

AI-powered account processing that extracts invoice details, reduces manual data entry and prepares accounting data for Excel export or TallyPrime import.

Do More. Do Smarter. **Do Quick.**

FROM MANUAL INVOICE ENTRY TO AUTOMATED PROCESSING.

Quick Accomate simplifies invoice processing by automatically extracting key information from invoices using AI.

HOW QUICK ACCOMATE WORKS?

Upload

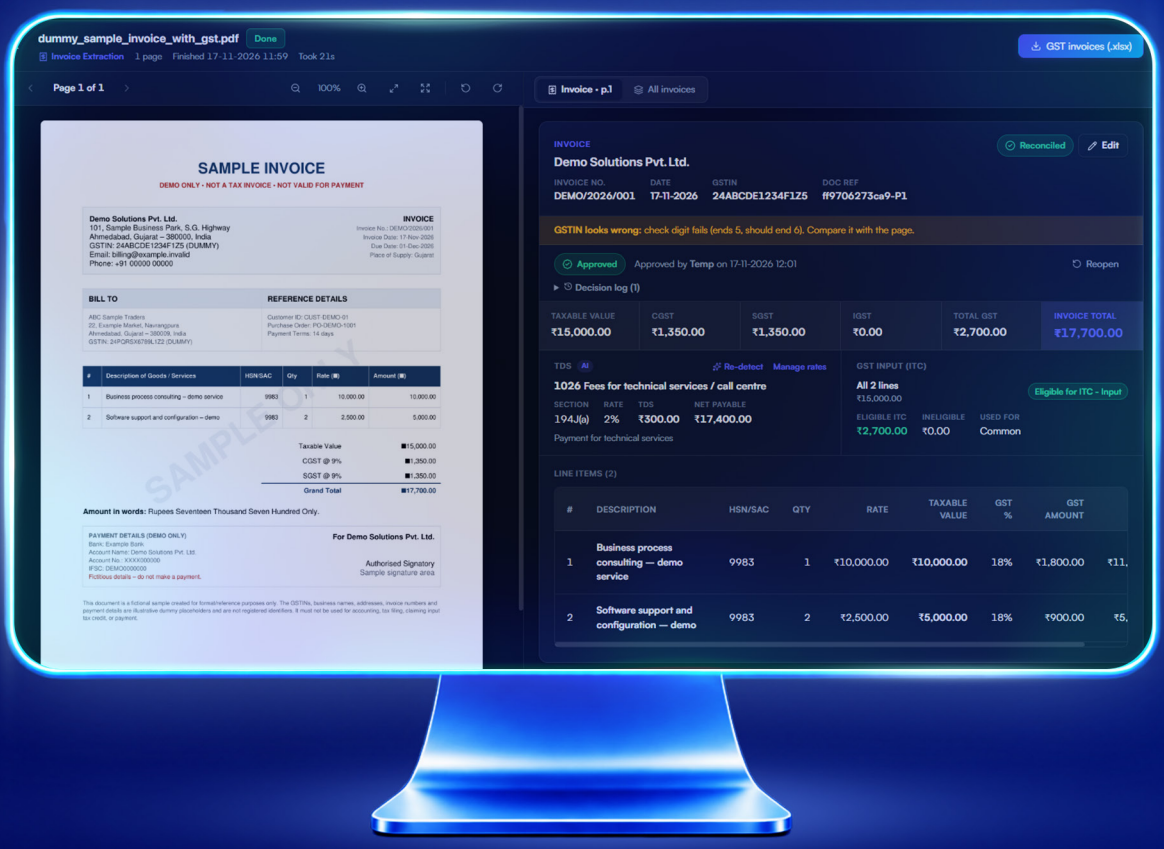

Upload invoices in PDF, scanned document or image formats

Analyse

Let AI extract invoice information and provide GST ITC classifications and TDS suggestions. Review and edit the details as needed.

Export & Import

Export reviewed data to Excel or prepare Tally-compatible data for import into TallyPrime.

KEY FEATURES

AI-Powered Data Extraction

Automatically extract supplier details, GSTIN, invoice numbers, line items, taxes and totals.

Multi-Page Invoice Processing

Consolidate multi-page invoices and process debit and credit notes.

Review & Edit Invoice Data

Verify extracted information and make corrections before export.

Smart Line-Item Management

Merge multiple line items.

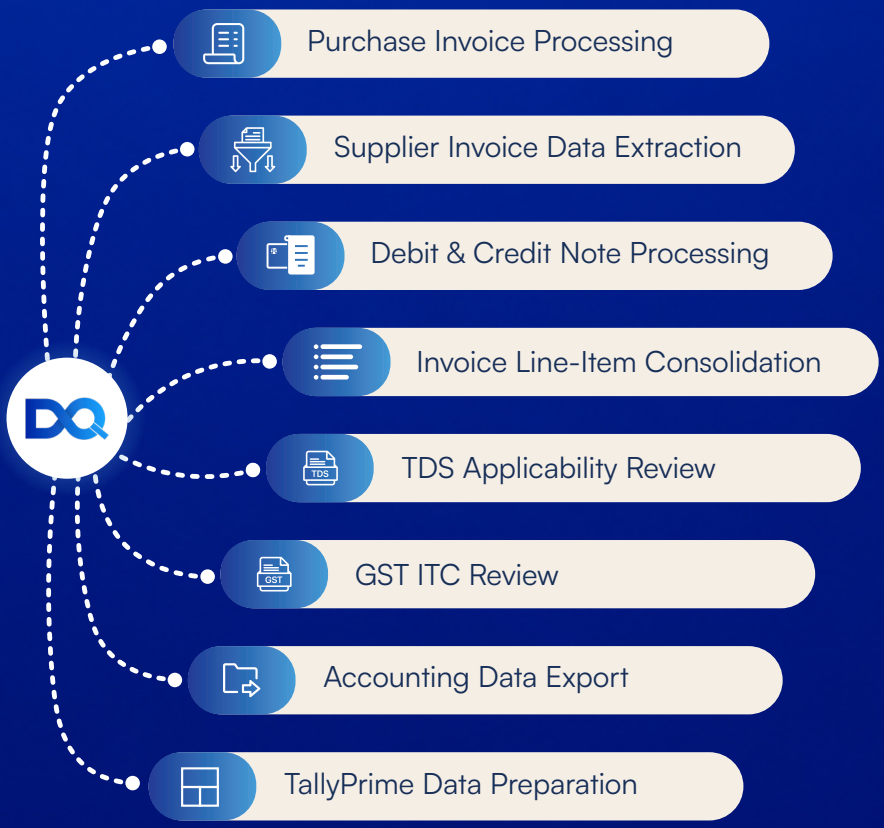

GST ITC Classification

Get AI-assisted eligibility classifications for Input Tax Credit.

TDS Suggestions

Get suggested TDS sections based on information.

WHERE CAN YOU USE QUICK ACCOMATE?
