Do Quick

Quick Tender

TENDER ANALYSIS. DONE QUICK.

AI-powered tender analysis that helps you review documents, identify key requirements and make informed decisions faster.

Do More. Do Smarter. **Do Quick.**

FROM LENGTHY TENDER DOCUMENTS TO ACTIONABLE INSIGHTS.

Quick Tender simplifies tender analysis by automatically reviewing documents, extracting important information and highlighting key requirements.

Reduce manual reading, understand tender conditions and make informed decisions with AI-powered insights.

TENDER ANALYSIS IN 3 SIMPLE STEPS.

Upload

Upload your tender documents in PDF format.

Define Your Criteria

Let AI review the documents and extract key information.

Review

Explore important requirements, compare tenders and make informed decisions.

KEY FEATURES

- **Automated Document Review**
  Extract and analyse key details, terms, conditions and specifications.
- **Key Requirement Highlights**
  Quickly identify eligibility criteria, deadlines and mandatory clauses.
- **Multiple Tender Analysis**
  Upload and manage multiple tenders for efficient analysis.
- **Customisable Evaluation Criteria**
  Analyse tenders using predefined or customised evaluation criteria.
- **Tender Comparison**
  Compare multiple tenders and review their key differences.
- **History, Analysis & Reports**
  Access previously analysed tenders and export detailed reports in Excel.
- **AI based Annexures**
  Annexures in a tender are detected and filled in automatically by AI.
- **Company Summary Report**
  An introductory company summary report is generated by AI.
- **Document Comparison**
  Compare any two PDF files and the differences are highlighted automatically.
- **Bank Guarantee Management**
  Manage and save all your bank guarantees in one place and get an automatic email alert before a guarantee expires.

ONE TOOL. MULTIPLE TENDER APPLICATIONS.
