FORESIGHT Digital

UTILITY TRACKER

Manage Every Utility. Track Every Deadline. Powered by AI.

One Smart Platform for Complete Utility & Compliance Management

Smarter Tracking | Stronger Compliance | Better Control

WHAT CAN YOU MANAGE?

Electricity Bills
Track due dates, payments, consumption & historical records.

Insurance Policies
Monitor policy expirations, premium schedules & renewal reminders.

Bank Guarantees
Manage validity periods, claim dates, extensions & compliance needs.

Rent & Lease Agreements
Track lease renewals, escalations & contractual obligations.

Compliance Reminders
Stay ahead of statutory deadlines & important business commitments.

Utility Documents
Centralized repository for all documents for easy access & audit readiness.
